With the peaceful protest march of Monday, 4 August 2025 behind us, the residents of Gansbaai - especially the business community - can breathe a sigh of relief. How long this peace will last remains an open question, but for now, it's something of the past. It is just unfortunate that innocent businesses had to suffer such losses and that workers who wanted to work were prevented from doing so.

The events leading up to the protest and the uncertainty that accompanied them frayed everyone's nerves - no clear answers were available from anyone. Everyone waited to see what would happen, especially with the possibility that the protests might last five days, not just one.

Setting the protest aside for a moment - Gansbaai SAPS, under the leadership of Station

Commander Lt. Col Janse van Rensburg, as well as all other role players such as P.O.P.S., Law Enforcement, Security Services, Neighbourhood Watches, Traffic Services, and others, deserve a compliment for their actions. Without their well-considered decisions, Monday's situation could have escalated with serious consequences - without a doubt, a loud "Bravo" to Lt. Col Janse van Rensburg and all those who stood with him.

Initially, the route of the protest was to be from Masakhane to the municipal offices only. However, there was a demand to proceed via Main Road to the SAPS offices. "We had to make a crisis decision in this regard," Lt. Col Janse van Rensburg told the Gans-Berg News during an interview on Tuesday, 5 August 2025. "We had the right to use force to keep the protesters out of Main Road, but then we would

have had to face the consequences of violence being met with violence." A wise decision was made to allow them access to Main Road, and the large group walked to the SAPS offices under the watchful eye of the police. The SAPS's avoidance of violence undoubtedly contributed to the fact that the protest did not extend over five days.

At the SAPS offices, the protest leaders stated that the police must combat crime, while also making allegations of corruption against the police force. The protesters then walked back to the municipal offices, where negotiations took place, the details of which have already been shared via the municipality's WhatsApp groups. The good news for now is that no further protest marches are planned.

Ons verken Botswana en Namibië -Deel 2-

deel van 'n avontuurtoer soos min. Wat opmaak vir die bietjie ongerief, is die pragtige wildernisgebied wat hulle geniet, asook leeus en heelwat wilde diere wat daar voorkom "en dis weer vriesend koud," skryf Elna. "Ek was 'n blok ys na laasnag se loper badkamers toe!" "Ons beleef 'n asemrowende sonsopkoms teen die Pan, met 'n ongelooflike uitsig oor die Pan sover as wat die oog kan sien," skryf Elna.

Elna Nel se kunstige Dagboek, 'BOT-NAM Avontuur', is 'n bron van uitstekende inligting, maar ook 'n vreugde om deur te werk. In Deel 2 gaan ons gaan voort met die egpare Fanie en Judy Bothma (Toerleiers) van Franskraal en Dolf en Elna Nel van Saldanha se reis deur Botswana en Namibië (8 Mei tot 27 Junie).

Met Suid-Afrika agter die rug, ry hulle op 13 Mei 2025 Noord na Botswana vir die KAA-hek en na die Name Pan, waar daar geen geriewe of water is nie - maar dit is alles

Die volgende dag ry hulle op 'n 7km grondpad na Zutshwa en kom by 'KD2 Transit & Camping Permit Station' aan. Dan draai die voertuigneuse na Kang, waar hulle by die garage, Kang Pitstop vir sweiswerk aan van die rakke op die voertuie wat losgegaan het. Die volgende oggend verlaat hulle Kalahari Rest en ry tot by Maun waar twee dubbel kamers net buite Maun op hulle wag. Verrassend genoeg, kry hulle winkels soos Spar, Woolworths, Clicks en nog 'n paar ander groot name daar.

is - hulle moes maar baie stadig met die 4x4's oor ry. Daarna volg 'n moerasgebied en 2-spoor paadjies. Hier vra Fanie sy strikvraag aan hulle: "Waar loop die Okavangorivier in die see uit?" - "Nêrens! Dit verdwyn net in die sand!"

Die volgende dag is daar 'n groot trop bobbejane, met kleintjies wat op die balkon en reëlins van die tenthuis langs hulle klouter en speel. Volgende week in Deel 3 reis ons saam met die egpare na Kasane via Chobe Nasionale Park en Savuti en daarna na Kazungula op 21 Mei 2025.

Vroegoggend ry hulle Moremi se 3de Bridge Kampplek binne, met 'n ontspanne ontbyt in Moremi. Voor die South Gate Camp sien hulle troppe rooibokke, zebra's, kameelperde en olifante - 'n groot belewenis! Daarna ry hulle bietjie rond en besoek onder ander Hippo Pool en die Lagoon Viewpoint om die omgewing te besigtig. gewing. Hulle stap ook heerlik by die rivier met die veelbesproke Third Bridge, waarvan die pale al gebreek

Academia 'eksamen-ete' is 5-ster standaard

Gansbaai Academia se Finale Nasionale praktiese Gasvryheidstudies Eksamenete is deur die Gr 12's op Woensdag, 30 Julie 2025 aangebied en kan met 'n 5-ster Hotelete vergelyk word - met disse wat geurig en smaaklik deur die sjefs voorberei is en flink deur netjies-geklede kelners aan die gaste voorgesit is (spreekwoordelik kon die sjefs en kelners 'deur 'n ring' getrek word!).

Buite die restaurant is die gaste professioneel, maar vriendelik, met 'n alkoholvrye drankie verwelkom, waarna elke tafel se 'persoonlike' kelner aan die gaste voorgestel is - die gaste is deur hom/haar na die onderskeie tafels begelei. Stoele is flink vir elke gas uitgetrek om hy/sy sitplek te kon inneem. Daarna het hy/sy hulself weer as die tafel se kelner voorgestel en is 'n volgende glasie alkoholvrye drankie aangebied. Die Gans-Berg Nuus se eienaar, Michelle van Zyl, asook die joernalis, Hardus Botha, was van die genooide gaste - hulle het by tafel 8 aangesit en hulle flink kelner was Hllumelo - vriendelik, beleefd en flink.

Hannett van Deventer, Gansbaai Academia se Gasvryheidshoof, het die gaste verwelkom en die doel van die ete aan hulle verduidelik. Hannett het die spanleiers (sjefs en kelners), aan die gaste voorgestel, waarna elke spanleier self sy/haar span aan die gaste voorgestel het. 'n Eregas, Maritza Theron, Vakadviseer: Gasvryheid Overberg Onderwysdistrik, is spesiaal verwelkom en in haar

spreekbeurt het sy Annett en haar span leerders geloof vir hul puik optredes. Trotse ouers van die leerders is ook uitgenooi, met Boet en Hannie Schoeman, die trotse ouers van Hannet, wat ook teenwoordig was.

Tydens die ete het Hannett tussen die tafels deurbeweeg om te vra of alles in orde is en of die disse geniet word, met die kelners wat ook kort-kort gevra het of alles reg is - sodra een dis klaar is, het die kelner weer die tafels voor die gaste mooi skoongevee om seker te maak alles bly netjies. In totaal is 27 van Hannett se leerders beoordeel: 11 kelners, 12 Sjefs, 1x Maitre D'Hotel (Hoofkelner), 1 Hoofdrankkelner, 1 Chef De Cuisine (Hoofsjef) en 1 Aboyeur (Assistent-hoofsjef).

Die spyskaart is die ding wat die ete 'gemaak' het: 'n smaaklike 4-gang ete met alkoholvrye verwelkomingsmengeldrankies; Cranberry Druive Vonkeldrankies; Hors d'Oeuvre; Vol-au-Vents met Spinasie en Feta vulsel; 'n 2de voorgereg met Patat en Gemmer Sop en Focaccia Driehoeke. Hoofgereg: Blindevinke; Sampioen Risotto; Roerbraai Groente. Nagereg: Sjokolade Bavaois. Tee en Koffie.

Bravo en 'n 100% punttoekenning vanuit Gans-Berg Nuus se geleedere, beter kon dit nie gewees het nie en die leerders word sterkte met die uitslae toegewens - dit was 'n voorreg om hulle 5-ster Hotelete te kon bywoon!

Hannet van Deventer aan die woord.

Voor: Wilton Phillips (Adj. Skoolhoof) en Maritza Theron (Vakadviseer: Gasvryheid Overberg Onderwysdistrik). Agter: Eyethu Makeke (Wnde Adj. Skoolhoof) en Carien Fortuin (Skoolhoof).

Gans-Berg Nuus se Michelle van Zyl word deur tafel 8 se kelner, Hllumelo, bedien.

Boet en Hannie Schoeman, Annett van Deventer se trotse ouers.

Een van die tafels met trotse ouers.

Elna van Zyl tree af by Great White Junction...na 15 jaar

binnehof, toilette en dies meer ingesluit. Sy sê die finale afskeid van haar drie personeellede was vir haar baie emosioneel. "Hulle kom baie jare saam met my en ons het baie geheg aanmekaar geraak," het sy gesê. Eerstens is daar Des, wat vir 12 jaar saam met Elna as haar bekwame en getroue regterhand gewerk. "Des het altyd gesê sy is die 'generator'," vertel Elna. Die ander twee, eweneens bekwame en getroue personeellede, is Aphiwe vir 8 jaar en Piky vir 7 jaar. "Gelukkig is al drie van hulle deur die nuwe kontrakteur, *Essential Cleaning Services*, oorgeneem en is hulle dus nie nou sonder werk nie," het Elna gesê.

Elna van Zyl, 'n bekende gesig by die Great White Junction, het besluit om na sowat 15 jaar af te tree. Sy het die skoonmaakdienste-kontrak gehad en was, maar is steeds, die Tuinbestuurder. Sy het op 31 Julie 2025 die tuig neergelê - maar nie in geheel nie, haar aftrede is net op haar skoonmaakdienste van toepassing. "Ek het besluit om steeds met die Tuinkontrak wat ek met die Bestuur het, aan te gaan - dit is 'n werk wat ek baie geniet."

Elna se verantwoordelikhede met haar private skoonmaakdienste vir die Great White Junction, het onder andere die publieke areas,

Voorheen was Elna en haar eggenoot, wyle Piet van Zyl, twee bekende gesigte by die sentrum. Piet het sedert 2008 as Onderhoudsbestuurder van die Great White Junction gewerk, maar hy het Elna op 8 Julie 2021 ontval. Sy het kort nadat Piet daar begin werk het, in 2010 by hom

ingeskakel, maar as Tuinbestuurder, asook die skoonmaakdienste. Na Piet se afsterwe het sy alleen met haar kontrakte voortgegaan. Piet se pos as Onderhoudsbestuurder is deur 'n ander persoon gevul. Elna het dus vir 15 jaar as Tuinbestuurder, asook met die skoonmaakdienste, daar gewerk.

Elna sal gemis word vir haar vriendelikheid, presiesheid en netjiese skoonmaakdienste in die sentrum, maar sal gelukkig as Tuinbestuurder steeds na die tuin en bome omsien.

Rocherpan clean-up kicks off MPA Day 2025

CapeNature kicked off Marine Protected Area (MPA) Day celebrations with a community-driven beach clean-up at Rocherpan Nature Reserve on 31 July 2025. With school learners, volunteers, and the ever-popular Cubs Club mascot, Kai, lending a hand, all to highlight the link between marine and ocean protection and a public responsibility for conservation.

Now in its fifth year, MPA Day is a growing international movement dedicated to raising awareness about the role of MPA's in conserving biodiversity, supporting sustainable development, and ensuring long-term ocean health. First launched in South Africa in 2021, the date commemorates the historic proclamation of 20 new or expanded MPA's in South Africa on 1 August 2019, a significant

milestone in marine protection. This year's theme, "*Ocean Protection Needs Human Connection*," emphasises the role people play in successful marine conservation with over 90 events set to be held in more than 25 countries. A comprehensive list of events can be found here: [MPA Day 2025 Events](#).

CapeNature manages seven of South Africa's 42 MPA's, in addition to four nearshore islands and 13 estuaries, many of which are not formally designated as MPA's but contribute significantly to the country's marine and coastal protected estate. "Marine Protected Areas are the underwater indicators of a healthy environment," said Dr Ashley Naidoo, CEO of CapeNature. "MPA's are more than just lines on a map; they are part of a living

network that depends on science, enforcement, partnerships, and above all, people. MPA Day is a reminder that a healthy ocean starts with informed and engaged communities who are part of the marine protection solution."

CapeNature collaborates closely with partners, including the Department of Forestry, Fisheries, and the Environment (DFFE), universities, conservation NGOs, and research institutions, to carry out regular monitoring across protected coastal areas. These efforts track biodiversity, monitor threats, and inform adaptive management in the face of challenges like overfishing, pollution, invasive species, and climate change.
